

LEADING YOUR TEAM TO SUCCESS

Whether you are new to your manager role or already experienced in managing others, you will no doubt have observed how important it is for your team to operate smoothly in order to fulfil your mission and that of your colleagues. In addition to the methods you already apply for individual management, this course will show you the concepts, tools and techniques that can help improve your management's effectiveness, enhance your team's collective potential and increase its performance. The course you are about to follow will thus allow you to build on your managerial professionalism. You can then apply the concepts and tools presented.

This programme is designed for:

- first-time managers
- experienced managers who want to review how their team functions and look at the way they run their team with a view to enhancing performance

At the end of this course you should be able to:

- identify strengths and weaknesses in the way your team is made up and the way it functions
- create the necessary conditions to improve team cohesion
- take effective steps in different circumstances: team meetings, brainstorming sessions, group involvement in a change initiative, etc.

The management certificate shows you have acquired the skills covered in the course.

Benefits of the programme:

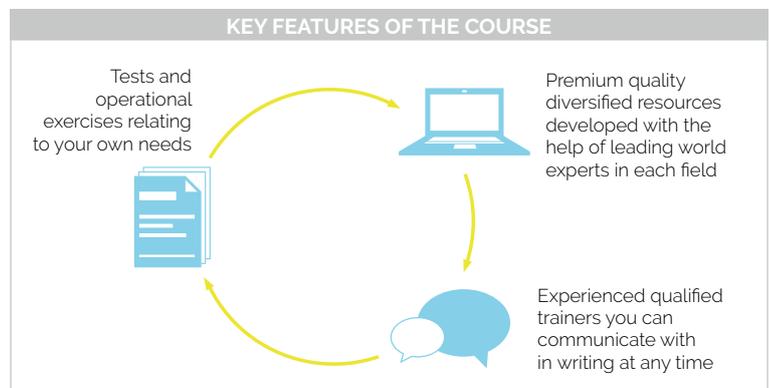

a more harmonious team:
a day-to-day working environment with less stress and conflict
improved team performance
